Earth Science Technology Conference June 24-26

NASA's Earth Science Enterprise will hold its third annual Earth Science Technology Conference June 24-26 at the University of Maryland in College Park. This will be an opportunity for NASA planners, managers, technologists, and scientists to review research sponsored by the Earth Science Technology Office. Registration for the conference is due June 13. For more information visit <http://esto.gsfc.nasa.gov/conferences/esto2003/index.html> or call Mary Floyd at (301) 345-3211.
